

Some timely reminders for the start of the 2013-2014 ski season

1. Remember that IN CASE OF FIRE – CALL 911, then call Lana Blair (250-218-0555) so she can co-ordinate a response with MWAR. Apparently nothing new is happening at the CVRD level!
2. Illegal use of Strata 799 garbage bins will continue to be monitored (including by some paid people) and will be placed in their “usual” places again this year, one just inside the MAIN PARKING LOT ACROSS from the store and the second one in the UPPER HENRY PARKING LOT near the Henry Road entrance to the Strata.
